95% of these stray plants are propagations from back bulbs or divisions made by Black & Flory in England. We have already bloomed many of these plants, and the records indicate the blooms to range from good to excellent in rating. We believe these are good buys for the amateur as well as for commercial growers.

COME TO CHATTANOOGA

AUGUST 29TH-30TH

FRIDAY, AUGUST 29, is the date of the Fifteenth Annual Cotton Ball, premier social event of the South. The Orchid Princess will be Miss Betty Cooke, daughter of Sir William Cooke of Wyld Court, Hampstead-Norris, Newbury, England, who will accompany her to America. Cypripedium and Cymbidium lovers will be especially happy to have this opportunity of meeting Sir William in Chattanooga, as he has a world-famous collection of these genera. Others among the overseas visitors will be Miss Clare Armstrong and Mr. James L. Humphreys, of Armstrong & Brown, Orchidhurst, Tunbridge Wells, England.

The Trustees of the American Orchid Society will meet in Chattanooga on Saturday, August 30. All members of the American Orchid Society, and others who are interested in growing orchids, are welcome to attend this meeting of the Trustees. Those attending the meeting are invited to be our personal guests at the Cotton Ball.

We will entertain at a luncheon on Saturday at the Signal Mountain Golf and Country Club. Following this luncheon our greenhouses will be opened for those who wish to go through them.

We are enclosing a self addressed post card that we wish you to fill out if you are planning to come to Chattanooga. We would like to have you fill out this card even though you may have already asked us to make your reservations.

Sincerely,

CLINT McDADE & SONS
